

28 May 1976.

Dear Jack.

Many thanks for your kind letter on the occasion of my forthcoming retirement. Even though I had reached normal retirement age early this year I was extended beyond it. I did however want to wait until all of the investigations were over and the reports in. I have been untiringly busy with them and so can leave now.

I do not yet know what I will do next either in government or in private business. When I make a decision I will let you know as I greatly value our friendship.

With every good wish and much affection

Yours faithfully  
Dick Walter
